## Kids Science Camp 2016!

July 24<sup>th</sup> – 28<sup>th</sup>

## **Orient Land Trust Kids Science Camp 2016!**

Educational programs and facilities are offered year-round to the general public of all ages, ethnic backgrounds and socioeconomic levels. For one week in the summer, we focus our programs on youth. Our Kids Science Camp encompasses all of our regular educational programs; including a Bat Tour, Geology Tour, Astronomy Tour, Hydroelectric Tour and an Everson Ranch Tour. Swimming, nature walks and journaling, a trail ride and visit to The Rock Goat Ranch are all planned. For fun and community building there will be nightly campfires with s'mores, song circles and storytelling!

### **Schedule**

**Sunday, July 24<sup>th</sup>:** Orientation at the Pavilion, get acquainted, plus introductions of staff.  
7:30 – 8:30 Campfire & S'mores  
**Monday, July 25<sup>th</sup> – Thursday, July 28<sup>th</sup>:**  
Morning session from 10:00 – 12:00  
Afternoon session from 1:00 – 4:00  
Evening session from 7:30 -? depending on event. A different tour will be schedule for each session, to be announced depending on availability of our Science Expert!

**Parent or Guardian must be present on property and are welcome to come along!**

**Orient Land Trust wants to give an appreciative THANK YOU! to Saguache County who is supporting this program with a Saguache County Sales Tax Grant!**

**Our goals are to create awareness of environmental issues, resource sustainability, land and habitat conservation. To give our youth the opportunity to experience this unique environment, to expand their knowledge of the natural world through our educational programs and to instill a sense of stewardship and personal responsibility.**
